

FMPPro™ Text Editor Addition

ACTON, Mass (Oct 2021) Digital Facilities Corporation (DFC) has added a set of program updates for FMPPro™ a Building Envelope Management solution for asset assessments for Roofing, Façade, Paving and Vertical transportation equipment.

FM-Pro™ is suited for building owners, asset area consultants and building service providers. This easy to deploy SaaS solution is ideal for maintaining annual observation reports, facility and building envelope assessments.

The latest release adds a text editor to all notes area pages and cover letter for of the facility condition report. This html text editor will improve user options and allow various attributes to be added to plain text, as well as copy and insert text, images, HTML code from other documents. (See Image)
